

Base color palette

Six colors sampled directly from the circular seal artwork ("EST. 1834").

navy-900

#0B3D6B

Primary ink. Dome silhouette, columns and seal text. Headlines and body on light surfaces.

indigo-700

#0B019E

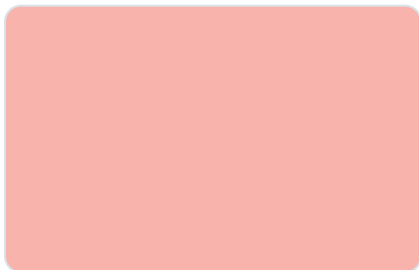

Deep backdrop blue framing the seal. Bold background fill for banners and dark sections.

coral-500

#F66C5E

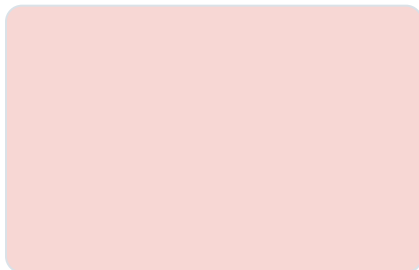

Vivid coral from the lower sky band. Accent for buttons, tags and highlight fills.

salmon-300

#F8B4AC

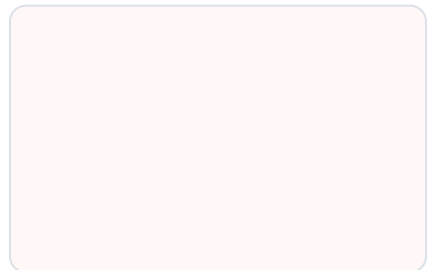

Mid-tone salmon from the sky gradient. Secondary accent, hover states, chip fills.

peach-100

#F7D7D4

Lightest tint from the sky gradient. Soft section backgrounds, subtle highlights.

surface

#FFF8F6

Warm white from the seal's ring and base band. Primary page and card background.

Font colors

Two emphasis ladders — the same base ink stepped through opacity, plus one accent.

On light surfaces — ink: navy-900

Primary text — headlines & body copy

text-primary · 100%
10.6:1 on surface · AAA

Secondary text — supporting copy & captions

text-secondary · 87%
7.4:1 on surface · AAA

Tertiary text — metadata & helper text
